FUTURE EVENTS

FOODSAFE LEVEL 1 - NOVEMBER 8

Looking for a part-time job? How about a Xmas job?
This course is often a requirement to work in various food handling jobs (restaurants, etc) and this is your chance to get it at a hugely discounted rate of $15 (regularly $75 - $100) thanks to the generosity of our Parent Council. It will be a full day workshop on Tuesday Nov 8th. There are only 30 spots so get your form from any home ec teacher or the office and pay the $15 fee to secure a spot.
See Ms. Clair in Student Services if you have any questions.

FOR GRADE 10-12 STUDENTS INTERESTED IN SCIENCE, TECHNOLOGY, ENGINEERING, MATHEMATICS (STEM)

Attn Grade 10-12: Are you interested in a month-long summer program to participate in STEM (science, technology, engineering, and math), arts, business and entrepreneurship? SHAD provides an experience where you live at a Canadian university and solve complex world issues and recognize your own potential. Go to www.shad.ca for details or see Ms. Falsetto.
