Join a small group of involved parents and community members! Learn about the latest news from Byrne Creek. Ask the principal or community coordinator a question, have a coffee and relax. Sound good? Community Council meetings are held the first Monday of each month in the library. Time is kept from 7:00 to 8:30 PM if at all possible. Come and contribute, or come just to listen. The important thing is to be there! You'll hear about a lot more than your child tells you!!

### **BYRNIVERSARY**

Byrne Creek's Ten Year Anniversary was enthusiastically recognised on May 14<sup>th</sup>. It was a celebration, a reunion, and a time of fun and fellowship. Thanks to everyone who helped organise and participated in this wonderful day!! Byrne Creek has so much to be proud of!

### **GOODBYE IHA!**

Among several other staff we will be saying goodbye to Community Coordinator Iha Hayer in June. She has been a touchstone to the students of Byrne and has been instrumental in the realisation of Byrne Creek's designation as a Community School. Her vision and enthusiasm will remain in these halls for years to come. We thank her for all she has done at Byrne Creek and wish her all the best in her future endeavours. She has made a difference to every student here.

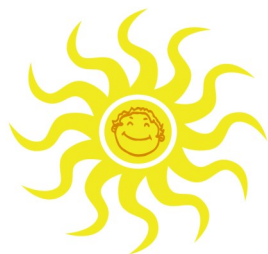

**HAVE YOU SEEN OUR NEW WEBSITE?**

One of the best things about it is the school bulletin is on the right side of the home page. Each day a new bulletin is posted with the day’s events outlined. It is the same information that the students receive each day! We have been waiting for this and know that it is one of the best ways of staying in touch with what is happening at school. Community Council (PAC) minutes can also be found under the parents tab. If you miss a meeting be sure to read the minutes so you remain connected. Minutes are generally posted the month following each meeting after being approved by the Council. So log on to [www.byrecreek.sd41.bc.ca](http://www.byrecreek.sd41.bc.ca) and explore. You’ll love it!
