INTERNATIONAL DAY OF THE GIRL CHILD

Did it ever cross your mind that living up to the images and characters found in the media is stressful, expensive, depressing and maybe even impossible? Have you ever wondered how you will hold on to your unique identity when there is so much pressure to be someone else?

Join other students today at Byrne Creek Secondary to have a conversation about the negative messaging of media, the effects, and what strategies you might use to stay true to the real inner you. The event is at Byrne Creek Secondary School on today - Wed. Oct 12th from 4pm to 5:30pm. Refreshments will be available. Register at burnaby.events@gmail.com or just show up with a friend.

This event is to mark the International Day of the Girl Child. The UN Association in Canada and Burnaby School District are putting on this special event for boys and girls to examine one of the top United Nations goals of the next 15 years. Get involved. Add your voice. See you there!
