## Community Room Partner Highlight

### **L.O.V.E.**

This year Byrne Creek Community School will once again be partnering with Leave Out Violence (L.O.V.E.) who will host a media arts workshop once a week (Thursdays) for the entire school year. Through L.O.V.E.'s Media Arts Program, youth will learn to identify, analyze, document issues and develop reality based solutions to end violence. A central piece of the process is essential life skills such as critical thinking, verbal communication, listening, social awareness, and problem solving. Students will use photography, journalism, videography and broadcasting as tools to explore and articulate how violence may have impacted their lives and explore positive alternatives. For more information, please contact the Community Room.
