LOUIS RIEL DAY

Louis Riel Day is perhaps one of the most significant days in Métis history for Métis peoples. This day is a day of celebration of who the Métis are as a unique people, with their culture, language, heritage and traditions independent of other Aboriginal peoples. Louis Riel Day commemorates the anniversary of the execution of Riel on November 16, 1885 in Regina, Saskatchewan. Riel made the ultimate sacrifice for his people defending Métis Rights, and so on this day we honour and celebrate Louis Riel in recognition of our great Leader of the Métis Peoples, Father of Manitoba and Métis Hero. Louis Riel Day is the day Métis proudly proclaim their unique ancestry. There are a reported nearly 70,000 Métis people in British Columbia.
