WHAT'S COMING UP**ATTENTION GRADE 10-12 STUDENTS**

Do you want to talk to someone directly about a career in healthcare? This can include nursing, physiotherapy, medicine, occupational therapy, dentistry, radiology, among many others. We are starting a group for students to come and ask questions and get informed about options after they leave high school. The group will be headed by a former Byrne Creek grad who is currently at UBC in medical school. The goal of the group is to expose you to the options and opportunities that exist to make your transition into the healthcare field smoother. There will be lots of time to ask questions. First meeting is [Tuesday, Feb. 7th at 3:30pm](#) in B110. See Ms. Falsetto for details.

ATTENTION: STUDENTS APPLYING FOR SFU SEPTEMBER 2017

Students who have applied to SFU for September 2017 intake have an opportunity to meet with an SFU advisor on Friday **February 10th at lunch in room B104**. This is a great opportunity to find out the next steps in the application process, self-reporting grades and important deadlines. (Ms. Davy)
